

Friday the 9th of May 2008 is the official launch date for the 1st Concord web site.

This site is to promote the activities of the group and be a resource for providing information to parents.

We have some keen photographers in the group so we will be updating the photo galleries from time to time.

Anyone who wants to post an article is free to do so.

The privacy bits...

- You will only be identified by first name and the first letter of your surname. Just like at school...
- No names will be associated with any photographs
- If you do not want to have your child's photograph on our site just let us know
